WHEREAS, the Subdivision is subject to the Declaration of Covenants, Conditions and Restrictions for Escondido at Tres Lagos under Document No. 2821588, Official Records, Hidalgo County, Texas, as amended by First Amendment to Declaration of Covenants, Conditions and Restrictions for Escondido at Tres Lagos Subdivision under Document No. 2991602, Official Records, Hidalgo County, Texas, and as may be further amended from time to time (the "Escondido Declaration");

WHEREAS, in addition to being subject to the Escondido Declaration, the Subdivision is also subject to the Master Declaration for the Tres Lagos Residential Development recorded under Document Number 2821589, Official Records, Hidalgo County, Texas (the "Master Declaration"), as may be amended and supplemented from time to time;

WHEREAS, this Amendment does not materially affect the security, title or interest of any mortgagee of a Lot located in the Subdivision.

NOW, THEREFORE, the Escondido Declaration is hereby amended as follows:

1. Article Two, Section 2.16 of the Estancia Declaration is hereby amended to read as follows:

"2.16 Fences. The ARC shall approve the front setback of each fence as per the individual Lot Plot Plat. All dwellings are to have a 6-foot Pre-Finished Cedar-Tone Gold Douglas Fir Dog-Ear Fence Picket, or such other fencing material and/or color as approved by the ARC in writing, attached to galvanized metal posts extending perpendicular from the side of the dwelling to the adjoining Lot's property line (the "Front Fences") and along the side property lines of the Lot in order to screen the side and rear

yards from the view of the neighboring Lots (the "Side Fences" and, collectively with the Front Fences, the "Fences"). The Fences must be installed at time of substantial completion of the dwelling. Each Front Fence shall have a gate approved by the ARC no greater than four feet (4') in width. If the adjoining Lot is vacant, the Front Fence will terminate at the property line and the Side Fences shall be constructed on the side property lines. If the adjoining Lot already has Fences, then such Owner shall construct only a Side Fence to match up with and tie into the existing Fence of the adjoining Lot. Each Owner shall maintain (i) the Front Fences located on such Owner's Lot, and (ii) the side of the Side Fences facing such Owner's Lot, whether constructed by such Owner or not.

The maintenance, repair, and replacement of PID owned fences situated on the Lots shall be the responsibilities of the Owner and/or Owners who own the Lot or Lots on which such fences are located, and in no event shall the Association be responsible for the maintenance, repair, and replacement of such fences. Repairs or alterations to any PID owned fence must be approved by the ARC and PID in advance and shall use PID approved materials and labor. Where PID owned fences fall on the property line, the Owner shall be responsible for maintaining its side of such fence only."

2. In all other respects, the undersigned Declarant confirms all other terms and conditions of the Escondido Declaration.
